

# RESCUERXX™

## WHAT IT IS

A highly effective daily Keratin treatment.

## WHAT IT DOES

- Clinically proven results:
  - 1 week results:
    - 80% said white spots were less noticeable
    - 80% said condition of nails was noticeably improved
    - 70% noticed nails felt thicker
  - 4 week results:
    - 73% experienced a decrease in splitting
    - 80% experienced a decrease in peeling
    - 69% experienced a decrease in white patches
- Repairs damaged nails by redepositing Keratin onto the surface of the nail.
- Repeated use drives keratin and jojoba oil deeper into natural nails creating a cumulative effect that rebuilds keratin back to the nail's natural state.

## WHY YOU NEED IT

To repair nails damaged by mechanical force and environmental effects.

## FEATURED INGREDIENTS & BENEFITS

### Jojoba Seed Oil (Simmondsia Chinensis):

Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba Oil acts like a carrier to increase penetration of other ingredients.

### Keratin Protein:

A main component of the natural nail, solubilized keratin proteins bond to the natural nail to help strengthen the nail plate.

### Sweet Almond Oil (Prunus Amygdalus Dulcis):

Softens and conditions.

## DIRECTIONS FOR USE

- Apply to bare natural nails twice daily, massaging into the entire nail, extension edge and cuticle.
- Use for up to 4 weeks for optimal results.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Apply more than twice daily for faster results.
